Safety First!

Safe Syringe Disposal Program

Do NOT recycle any used syringes. Place them in a "SHARPS" container!

For a one-time $10 fee, participating hospitals can provide you with a "sharps" container for used needles.

When the container is full, exchange it for a new one, for free!

Participating Hospitals

Virtua Memorial Hospital of Burlington County in Mt Holly, NJ
(609)267-0700 Drop-Off: M-F 8:30am-2:30pm

Lourdes Medical Center of Burlington County
Professional Building East, Suite 100 Willingboro NJ
(609)835-2900 Drop-Off: M,T,Th,F 9am-4pm; W 9am-12pm

If you do not have a sharps container...

1. Place needles in a sturdy plastic container, like an empty laundry detergent bottle.
2. Put "WARNING: USED SYRINGE" label on the container (Cut off and use the one below!).
3. Clip the needle and put in the plastic container.
4. Seal the bottle tightly with the cap and duct tape.
5. Dispose in household garbage.DO NOT RECYCLE.

WARNING: SHARPS
DO NOT RECYCLE
